THE PROPERTY OWNERS DISCUSS BRIDGE FOOT OF MAIN.

If City is to Build Either at Main or Travis They Will Try and Secure it for Main Street.

There was a meeting yesterday afternoon at the Cotton Exchange of citizens owning property at the lower end of Main street to discuss the question of the building of a bridge over Buffa.o bayou at the foot of Main street, a matter now under consideration by the city.

Among those present were Messrs. A. L. Neims, J. E. McAshao, W. H. Palmer, L. M. Rich, George L. Porter, Henry S. Fox. S. L. Gohlman, George A. Clack and H. T. D. Wilson, Mr. Neims stated the object of the

meeting was to discuss the feasibility of building a bridge across Bullaio bayou at the foot of Main street. On motion Mr. J. E. MoAchan was

elected chairman. Mr. Nelms said he regarded the matter follows:

as a very important one. He thought the bridge should be built and referred to the fact that the city council had already taken action to the matter and appointed a committee of aldermen to consider which was the more feasible, the building of a bridge at Main or one at Travis, and for which project the most money could be raised,

property on Main street, but that he rep-essented non-resident owners. He regarded the building of a bridge on Main street as being entirely imp a tila le and diealth officer entirely too expensive an undertained. It would block up the only place on the bajou where large boats can turn, justiles of the two bayous. It would also be an obstruction to the proposition cow on foot to improve Buffalo bayou. He will appear to Houston tonight at money that such a bridge wou d cost could oney & Coombs' opera house, before largest audience that ever greeted be botter expended in paving the streets He said that the report of the engineers contemplated that the new head of the proposed channel would be at the mouth eyed people who don't know a jewsharp from an accordion will shrick them-selves hourse over his playingof White Oak.
Mr. H. T. D. Wilson did not favor the

construction of the bridge, th ugh he did not believe that it was contemplated to hring the ship channel up to Main st eet. Mr. Paimer said that it was likely that the city council would determine to put bridge either at one place or the o her The international and Great Northern, rallway brought in several excursion parties, that road baving given especially low rates to Houston for this event. and the quistion for this meeting to de-Great Northern termine was not whether the bridge should be built, but whether they would prefer to have the bridge, it built, at Main or Travis. He favored the Main street proposition.

Mr. Rich favored the bridge being put

at the Main street.

Chairman McAshan held that this meeting had nothing to do with determining be referred to the mayor.

upon the building of a bridge; that was

For City Officials for the Coming Tw Years.

ALL FEES AND COMMISSIONS ABOLISHED

And a Number of Salaries Are Cut. Several Improvements Are Recommended.

The city council met in called session yesterday afternoon, chiefly for the purpose of fixing salaries of city officials for the incoming administration, but the mayor also enbraced in the call that some reports of the board of public works might be considered.

All the aldermen were present except Alderman Sonnen of the First ward.

The finance committee submitted a resolution providing that no fees or commissions be paid to any city officials and fixing the annual salaries of officers as

1.560

resolution was unanimously adopted. This schedule cuts the secretary's malary \$200 per annum, reduces the salary does not beget the pill habit.

office, reduces the street commissioner's salary \$300 a year and increases the pay of the health officer from \$1200 to \$1800. The list does not include the auditor, as he was appointed for two years and his The board of public works returned with their approval the plaus and specifications of the engineer for paying singelke street rom Buffalo to Samtson.

Alderman Rosenthal moved that the report be adopted and that the mayor be requested to advertise for bids.
Alderman Halverton thought that this work should take its regular course in the contemplated improvements. It was explained that this pavement was

The council then adjourned WAITING ON COMMITTEE.

Mr. John Will Take No Further Steps

Mr. Gustave A. Jahn, the gentleman dress at the Central Christian church last who recently purchased the old flour mill property on Railroad street with the inwith a magnetic presence and a the how of janguage. He began his take by stating that if there is a dry old bone in the universe it is the subject of missians, and the people need more enthusiasm on this important subject. The "single tax" that Christ presents is this: "It ye are my disciples, deny yourselves, take up my disciples, deny yourselves, take up my cross and follow me." Self-denial is the subject of maile the fall crop. However, the cross and follow me." Self-denial is the says it will not be resumed until he is ness. It is the road to success. Paul permitted to lay the railroad track that solved in tribulation, and the only life will be necessary to conduct the business. will be necessary to conduct the business he contemplates. He applied to the c.ty council several days ago for such permission, but up to the present it has not been

Speaking of the matter. Mr. Jahn said to a representative of The Post last night: "I have not asked for any special or unusual privileges. On the contrary, I only ask to be accorded the same rights enjoyed by people who own the property ad-joining mine. They have ample trackage facilities for their business-more track, in fact, than I will need, and I have only asked the council for the privilege of building a track to my property. This privilege has not yet been granted, and until it is granted I can make no further improvement of the property. I have asked no one to put money into the enterprise. It is my own venture, and if it should prove a losing one I must stand I trust that the privilege I ask will be granted.

Bids were to have been opened next Saturday for the improvement contem-plated by Mr. Jahn, but he leaves this morning for Crowley, La., and will per-haps not be in the city for some time
